Is a new breeze in ca feel a change coming in the air  
The leaves are ..and brown summer is only just a bit  
When i look to the sky the sun got a different kind of  
glare  
When i look into the eyes of the youth i see no more  
fear  
But mean while my baby she carries my baby from ..  
Means i got a .. in this motha .. for life  
Mean time i know the time is a.. a little while  
In inside i know the changes on the ..

Change don't come in a day  
But every time i owe i'll spin around we're going  
somewhere  
The seas aren't change ..unware  
But baby change won't come in a day

Thanks to garbo
