Bomb, threats and weapons in school
Why do they think they are cool?
And we all know that it's true
The world isn't safe for you and me

Children are beat and women abused
And they feel there's nothing they can do
We try to help but we're in danger too
What are these people trying to prove

I sing this song for the innocent children
The innocent people who roam the world
The ones who shouldn't have their lives taken
The Beat up women and little girls

Bin Ladden and Saddam Hussein
What'd we do to drive them insane?
They blow up buildings and bring war
Another example of this unsafe world

I sing this song for the innocent children
The innocent people who roam the world
The ones who shouldn't have their lives taken
The Beat up women and little girls
