Last night my future baby mama left me,
So bring me a bottle of rum and buy me a bag of sensi,
Me a mash up the dance, mash up the dance scene,
Me a mash up the dance, mash up the dance scene.

Back track two days see,
She went crazy,
Oh my days,
She calling me lazy,
Still no ring, no place to stay and no baby,
Maybe baby we can talk about these things another day
I try to say
She wouldn't listen to me,
Instead she turned me away.

Fast forward to today,
Going out with my mates,
Penetrate the school faces at the gates,
At the place where I play
we're to much just to rave,
Gotta forget the other day
Gimme little drink and I'm a mash up the place.

(Chorus)
Single life,
Saturday Night,
Getting high.

Last night my future baby mama left me,
So bring me a bottle of rum and buy me a bag of sensi,
Me a mash up the dance, mash up the dance scene,
Me a mash up the dance, mash up the dance scene.
scap rap sing along,
no back chatting
A long thing
Robin Hood bathing
I come to save the dance,
I come to save the dance with my drunken dancing

Wheel up come again, come a roots a shocking,
Wheel up come again, ain't no stopping me shocking
Now I'm talking lazy,

Vision hazy,
Whoopse daisy,
Watch your feet darling,
What's ya name
What ya drinking?
Barman...alazazy

(Chorus)
Single life,
Saturday Night,
Getting high.

Last night my future baby mama left me,
So bring me a bottle of rum and buy me a bag of sensi,
Me a mash up the dance, mash up the dance scene,
Me a mash up the dance, mash up the dance scene.

(Repeat)
