Everybody get up!

High dive in the frozen waves where the past comes
back to life
Fight fear for the selfish pain
It was worth it every time

Hold still right before we crash
Cause we both know how this ends
A clock ticks till it breaks your glass and I drown in you
again

You are the piece of me, I wish I didn't need
Chasing relentlessly, still fight and I don't know why
If our love was tragedy, why are you my remedy?
If our love's insanity, why are you my clarity?
My clarity
Why are you my clarity?
My clarity
Why are you my clarity?

Walk on through a red parade and refuse to make
amends
It cuts deep through our ground and it makes us forget
all common sense
Don't speak as I try to leave 'cause we both know what
we'll choose
If you pull then I'll push too deep and I'll fall right back
to you

You are the piece of me, I wish I didn't need
Chasing relentlessly, still fight and I don't know why
If our love was tragedy, why are you my remedy?
If our love's insanity, why are you my clarity?
My clarity, my-my clarity
That is what you are
My clarity, my-my clarity
Honey, you're my clarity
My clarity, my-my clarity
Why are you my clarity?
If you let my wish come true

My clarity my-my clarity
Why are you my clarity?
If you let my wish come true

Everybody get up!
