I see you dancing through the lights
Baby, then that be craps and steps we like guides
Lady I gonna upstairs when I see you my baby
I will check just to find my own way to lead
What I got to do
To be the one with you
Tell me I'd keep you next to me
I'll be my heart to feel the dance
Like a drum machine enter the chance
What you do to me I can't go back
This drum machine is a poor bask
It's a poor bask
You are like a dream light came to life
Oh
I can't let her back chance pass me by
Oh~ no
Someone got to know
If you want to run
To skip this crag ride away from me
Till you give me a chance
Till I'm gonna follow dance
And to been keep you makes to me
I'll be my hearts to feeling that
Like a drum machine enter the chance
What you do to me I can't go back
This drum machine is a poor bask
It's a poor bask
