Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be.

I'm sitting on your front porch,

And I keep throw in petals that you just ignore.

So I'm confessing on your front door,

'Cause you caught me in a lie I can't lie no more.

I know "I'm sorry" is not going to turn back time

And you're not trying, I ain't hearing no answer to mine,

I've got a million reasons to just stop and leave

But I pray that ain't an hour when your love from me.

'Cause without you this life don't mean a thing

I've got nothing to show for us but I know something to
sing.

I still love you, I'm begging on my knees.

So can we try? Or is this goodbye? Oh, don't let it be.

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be.

People know you don't deserve

To be pushed aside, to be told like I struck a nerve.

I see the first time that you've been crying

And I can't believe that I'm the reason that you're hurt.

I know "I'm sorry" is not going to turn back time

And you're not trying, I ain't hearing no answer to mine,

I've got a million reasons to just stop and leave

But I pray that ain't an hour when your love from me.

'Cause without you this life don't mean a thing

I've got nothing to show for us but I know something to sing.

I still love you, I'm begging on my knees.

So can we try? Or is this goodbye?

So what's a man to do when his love is gone?

There's nothing I could say that could right this wrong.

I never thought my heart could feel so alone

But I can't let it go,

Because without you this life don't mean a thing

I've got nothing to show for us but I know something to sing.

I still love you, I'm begging on my knees.

So can we try? Or is this goodbye?

'Cause without you this life don't mean a thing

I've got nothing to show for us but I know something to sing.

I still love you, I'm begging on my knees.

So can we try? Or is this goodbye? Don't let it be.

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be.

Don't let it be.

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be,

Don't let, don't let, don't let it be.
