Another day has gone
I'm still all alone
How could this be
You're not here with me
You never said goodbye
Someone tell me why
Did you have to go
And leave my world so cold

Everyday I sit and ask myself
How did love slip away
Something whispers in my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay

But you are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone

'Lone, 'lone
Why, 'lone

Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms
I can hear your prayers
Your burdens I will bear
But first I need your hand
Then forever can begin

Everyday I sit and ask myself
How did love slip away
Something whispers in my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay

you are not alone
I am here with you

Though we're far apart
You're always in my heart
you are not alone

Whisper three words and I'll come runnin'
And girl you know that I'll be there
I'll be there

You are not alone
I am here with you
Though you're far away
I am here to stay
you are not alone
I am here with you
Though we're far apart
You're always in my heart

you are not alone
I am here with you
Though you're far away
I am here to stay

you are not alone
I am here with you
Though we're far apart
You're always in my heart

For you are not alone...
Not alone ohh
You are not alone
You are not alone
Say it again
You are not alone
You are not alone
Not alone, Not alone
If you just reach out for me girl
In the morning, in the evening
Not alone, not alone
You and me not alone
Oh together together
Not not being alone
Not not being alone
