(All)

Here she comes

(J)

Ooh, just like an angel

Seems like forever that she's been on my mind

But not nothing has changed

She thinks I'm a waste of her time

(All)

There she goes

(Marc)

No, she don't know what she's missing

Can't she see I'll never give up the fight

I'll do all I can

'Till she understands my desire, oh~ç~ÊÊ!

(Ben)

I've been on the outside looking in

Let me into your heart, oh~ç~ÊÊ!

There's nothing on earth that should keep us apart,
baby

(Chorus)

(All)

I can't live without your love and affection

I can't face another night on my own

I'd give up my pride to save me from being alone

'Cause I can't live without your love

Ooh your love

(All)

So I wait

(J)

Here for an answer

And wonder if tomorrow will be like yesterday

I'll keep holding on

But I can't go on living this way, baby

I've been on the outside lookin' in

(Ben)

Bring my tears to an end, oh~ç~ÊÊ!

I realize there's no use for me to pretend, oh no

(Chorus)

(All)

(Marc)

I can't live without your love

(All)

Ooh ... your love
(J)
I'd put my arms around you
(Marc)
And find the strength to tell you
(Ben)
That I can't live without your love
(J)
Love
(Chorus)
(All)
(All)
Baby
I can't live without your love and affection
I can't face another night on my own
(Marc)
As hard as I try, there's one thing that I know for sure
I can't live without your love
