"I Count The Minutes"

This world don't turn when you're not in my arms
The sun don't shine whenever I'm without you
And there's an empty space inside my heart
When you're gone

And whenever you're gone, it's too long
And the wait is driving me crazy
Baby, I'm not alive
Till you're here by my side, oh

I count the minutes
I count the hours
I count the seconds
Till you're here by my side again

And every minute
Goes on for hours
Until you're with me
Till I look in your eyes again

Each night's a lifetime when I'm not with you
And everyday just seems to take forever
My heart is sinking as I'm missing you
I can't wait

'Cause I live for your love everyday
I can't wait 'til I have you beside me
And I'm lost in the dark
'Till you're here in my arms, oh

I count the minutes
I count the hours
I count the seconds
Till you're here by my side again

And every minute
Goes on for hours
Until you're with me
Till I look in your eyes again

I can't wait a minute more just to hold you
'Cause I love you, baby

Don't make me stay away from you too long
And the wait is driving me crazy
Baby, I'm not alive till you're here by my side

I count the minutes
I count the hours
I count the seconds
Till you're here by my side

And every minute
Goes on for hours
Until you're with me
Till I look in your eyes again

I count the minutes
I count the hours
I count the seconds
Till you're here by my side

And every minute
Goes on for hours
Until you're with me
Till I look in your eyes again
