Let me count the ways

(J)

Waking up in the morning lying next you

I stare at you and I listen to you breath

I can't imagine me spending my life with someone else

I've got a thousand reasons why my heart makes me
believe, oh

(Chorus)

(All)

If you wanna know how much I love you

All the reasons girl that I dream of you

It's easy just to say

So, let me count the ways

Girl, our love it has a silver lining

More than all the stars that we see shining

I feel it everyday

So, let me count the ways

(Marc)

All the dreams that we're dreamin' baby we can reach

We find new horizons everyday

We can do it together, and we'll always make it through

As long as we believe our love will find a way,

ahhh

(Chorus)

(All)

(All)

I see visions of forever

Loving you I'll always treasure

We keep getting closer everyday

(All)

Na na na na na na

Na na na na na na

It's easy just to say

Let me count the ways

(Chorus)

(All)

(All)

It's easy just to say All

(Marc)

So, let me count the ways
