Another day gone  
Another day gone

Sittin in mah livin room pullin on sum tubes  
No more bubble berry so I settled for the blues  
Snapped it thru and my lungs start to hurt  
Hold it in long enough to put your dick in the dirt  
And people go beZeRk tryin to get there hands on it  
Most common heard phrases 'Richters got tha chRoniC'  
So I'm on it  
Matter fact I'm on the top  
Cant nobody fuck wit me or the killa kali crops  
Like reeboks yo I'm unstopable and the bowls that I  
pack are unpopable  
So what you grow? all I wanna know is what seeds  
What system you usin? you got the lites you need?  
You gotta mess with the greed from the weed I believe.  
Is you a cop without a clue jus lookin for a need

Life rolls on  
Passin by yo eyes so fast  
Another 24' another day has passed  
Life rolls on  
\*????????\*  
Life rolls on  
Passin by yo eyes so fast  
Another 24' another day has passed

Hey loc  
I think its time to grow again  
Fuck it  
If your gonna grow you better come pik up your bucket  
Alrite I'm comin thru  
'Ay yo grab some mountain dew ..wha!?  
A pack of zig zagz and a couple a brewS  
I cruise thru in the blue 2 with the bass tubes  
I too got the big bumps keep my caddy dumped  
Dont front on this trunk stump on mah bangin bus  
Well he rumped on the blunt spot turn that shit to dust  
Dust till dawn jus like the modern day Cheech and  
Chong

Tim and Dustin on the bong smokin mad amounts of ganj'  
Writin songs playin pong we be \*\*\*\*signin off the law\*\*\*\*  
Stealin ciggarettes and bongs we was kids gettin it on  
But now I grow.. standin strong 2000 and beyond  
Too dawns hit the bong used to fight to get along  
That was way back then and this iz rite now  
We on a mission to guiness smoke it  
And blow tha hell out

Life rolls on  
Passin by yo eyes so fast  
Another 24' another day has passed  
Life rolls on  
\*????????????\*  
Life rolls on  
Passin by yo eyes so fast  
Another 24' another day has passed  
Life rolls on  
\*????????????\*  
life rolls on

Another day gone another day gone another day gone  
life rolls on  
Another day gone another day gone another day gone  
life rolls on

Theres 4hundred and 20 wayz to blayze  
Use one and \*?change crate?\*  
When you smokin up the vape  
Mon hey, sit back need to put you in a trance  
Grab ur sac relax  
An thro your cap up on the hat rack  
Thro ur feet up recline jus chill  
We jus smoked an eighth of the muthafukin kill  
Fo real hold it in now we goin on a ride  
The bud inside aint nuthin to fuck wit  
So santa cruz that we got our jobs crypt  
The crypt that you never find aroun  
The reason you cant find it in your city or ur town  
Becuz it sits in my bedroom in piles and pounds  
We got pound and pounds that the world dont know  
about  
If I sold it.. "yo theyd all be in the clouds"  
Chillin out without a doubt its not fo the money  
Its all fo the head n gettin stOnEd with my honeys

Life rolls on  
Passin by yo eyes so fast  
Another 24' another day has passed

Life rolls on  
\*????????????\*  
Life rolls on

Passin by yo eyes so fast  
Another 24' another day has passed  
Life rolls on  
\*????????????\*  
Life rolls on

Peace out to the 4fAthers
