Life ain't funny, when you ain't got no money  
And that clock strikes 4:20, and you wanna get high  
No bills get sent when you can't pay the rent  
Everyday I get bent yo so i can get by  
I'm moanin' on and on kickin' lits from beyond, planet  
budtron  
Bso stay on  
Kottonmouth Kings got them dope tracks  
1605 yes they got my back  
I'm buckin' your boots cuz ya smoke crack  
I get the munchies and i eat a greasy bigmac  
Find me smoked out, ain't unlikely  
That's why my homies call me D the L-O-C  
You'll catch me at a party deep in O.C.  
Representin that punk rawk stylee  
When im on the mic i make the crowd move  
To escape reality i bust my own groove  
Ladies on the floor say your so smooth  
I wink my eyes, and replied  
They says real cool  
Life ladies don't understand me  
Said to call my sign to be an anarchy  
Skate in my hand cuz im like that  
i bust to surf and off the curb cuz im real phat  
Life ain't funny, when you ain't got no money  
And that clock strikes 4:20, and you wanna get high  
I'm moanin on and on kickin lits from beyond, planet  
budtron  
Bso stay on

Well, I'm D-Locho a fly shit  
Smoke bud with the king click  
Don't trip, but addicted  
Full flown, can't stop smokin' that homegrown  
I gotta phat blown acre out in Riverside  
Hallbrook locals the Kings reside  
E-Loc, G-Mac, Big Hoss in the pen, BJ, Guido, and my  
boy Efrin  
I go cocoo for coco, chocolate thai, smoke bud till i  
die  
You wonder why, stay high like a black fly

Then i stop, buzzin' like a busy is ah ba ba ba

Life ain't funny, when you ain't got no money  
And that clock strikes 4:20, and you wanna get high  
No bills get sent when you can't pay the rent  
Everyday i get bent yo so i can get by  
I'm moanin' on and on kickin' lits from beyond, planet

Saint Vicious pay attention let me educate  
I put a tapper in the gut of this legislate  
Push the tap, and i watch the sewer drain out  
Lies lies lies, what i've been talkin about  
Well not old school like i use to (used to)  
Kottonmouth Kings just broke through (move fool)  
Psychedelic hip hop punk rock shit  
So back the hell up and get smacked in your lip  
Saint don't quit im from the old school  
5 block didn't have a pipe to skate to  
Lawns wet, rail slide, real smooth  
No skate mall but it was still cool

Life ain't funny, when you ain't got no money  
And that clock strikes 420, and you wanna get high  
No bills get sent when you can't pay the rent  
Everyday i get bent yo so i can get by
