D - L O C

D is for the dank I bring

Dash is for the hash being passed

L is for my love, everlast

O is for the outdoor organic

C the confidence in me

Period to let you know that I'm serious

Do you think that you can dig this? YUP!

It's Unexplanatory in another category

I'm down with my girl Ami but that's another story

I rock hemp knot jewelry

If you bet put your money on me

Get ready victory

??????????????

It's Unexplanatory

Kottonmouth Kings

But that's another story

Kottonmouth Kings

It's Unexplanatory

Kottonmouth Kings

But that's another story

It's Unexplanatory

Daddy says triple X rated, crash course set

I wanna be sedated, I stay faded

Lay the track up pop a light the king klick sprayed it

Used, bought, and got it and took it home and played it

Say it's unexplainable to us it's outdated

Why I own it I create it trademarked and weighed it

Your left scratchin' your nuts and I still can't explain it

You know I got those hidden indoor plants clonin'

Restricted area no residential zone in

The warehouse district equipped with federal loanin'

FBA got played like six in the morning

DA slippin', ATF snoring

I check my wise before I make a sound

These walls have ears they're spies are all around

Suburban Noize transports pure dope sounds

The feds came through, thought we was moving

pounds

Found a bong two pipes and ?? half an ounce  
Now bounce!!

It's Unexplanatory  
Kottonmouth Kings  
But that's another story  
Kottonmouth Kings  
It's Unexplanatory  
Kottonmouth Kings  
But that's another story  
It's Unexplanatory

Now I be the one stoned off the cloned alien  
And you be the one smokin' cest with Les and them  
And they be the people gettin' twisted on the rise  
And we be the cats supplyin' all the highs  
Cuz I like to sit back and vibe, you know the type  
Look at the ladies to make me say my my  
Catch my eye then I cry I'm that type of guy  
My boy Pakelika got that finger that vibrates  
Vanac breaks ?? tastes great  
No butane wood so for blunts and paps  
Pure THC blowin' far and near  
You need to break off that joint from behind your ear  
Slap it on the stone, let's get stoned  
Light up that torch grab some knives it's on  
I see smooth rips we named the smoke shank  
And I end it on the beat break

It's Unexplanatory  
Kottonmouth Kings  
But that's another story  
Kottonmouth Kings  
It's Unexplanatory  
Kottonmouth Kings  
But that's another story  
It's Unexplanatory

D-Loc says you got to have hope  
People say he's kind of dope  
D-Loc fishes in his boat  
Out smoke him, not really, nope  
Peeps promote me coast to coast  
Eat bacon eggs and love french toast  
Peeps give me good indo  
Don't you ever take me for a joke

Now Johnny Richter's gonna take you on lyrical flight  
An bring you down to Orange County on a typical night  
We'll drink some brews and grab our skates and hit the  
quarter pipe

I seen the cops goin' left you know I made a right  
I pulled the blunt out the tray to get me on my way  
A little herb in the lungs and I'm A-OK  
Got the krypt get a rip if it's brick get away  
We rollin' deep in the bus puffin' skunk by the eighths

It's Unexplanatory  
Kottonmouth Kings  
But that's another story  
Kottonmouth Kings  
It's Unexplanatory  
Kottonmouth Kings  
But that's another story  
It's Unexplanatory...
