Oh great country, shore to shore  
From the greatest heights, to the forest floor  
I have only images in my mind  
And a flame that is burning inside

Oh splendor, in time I will see you  
Where the meadow and the mountain meet the blue  
Hands free with the truth we've always been free

To do the things we love  
Shed the shackles of conventional thinking

"Twenty years from now you will be more disappointed  
by the things that you didn't do than by the ones you  
did do. So throw off the bowlines. Sail away from the  
safe harbor. Catch the trade winds in your sails.  
Explore. Dream. Discover."
