When it's gonna be dark
Don't go out for a walk
You should better be running
The killer tomatoes are coming

They don't want your money
Please listen to me honey
They cut you like a bread
They only wanna see you dead

Run Run Run
The killer tomatoes are coming to your town
Run Run Run
They will smack your head and hit you on the ground

When it's going to be dark
Don't go out for a walk
You should better be running
The killer tomatoes are coming

They don't want your money
Please listen to me honey
They cut you like a bread
They only wanna see you dead

Run Run Run
The killer tomatoes are coming to your town
Run Run Run
They will smack your head and hit you on the ground

(Instrumental)

Run Run Run
The killer tomatoes are coming to your town
Run Run Run
They will smack your head and hit you on the ground

Run Run Run
The killer tomatoes are coming to your town
Run Run Run
They will smack your head and hit you on the ground

Run Run Run
The killer tomatoes are coming to your town
Run Run Run
They will smack your head and hit you on the ground
