As I was sleeping I heard this melodic voice  
She said she's stealing all the hearts of boys  
I opened my eyes and nobody was there  
Couldn't see her and I couldn't talk to her

She was an imagine in my dream  
Then I fell sick and had to scream  
Hurts in my heart, she stool my soul  
She was the magic melodic voice

I don't wanna sleep - wanna sleep  
When she comes I fall deep  
She catches my soul, destroys my heart  
And when I wake up I am scarred

Can you see all the boys they walk alone  
All they heard this melodic voice  
They fall deep into hurts  
Why they listen to her

All the boys which haven't a light  
All the boys which have to fight

Against the bad ghost-girl at night  
Melodic voice

I don't wanna sleep - wanna sleep  
When she comes I fall deep  
She catches my soul, destroys my heart  
And when I wake up I am scarred

(Instrumental)

I don't wanna sleep - wanna sleep  
When she comes I fall deep  
She catches my soul, destroys my heart  
And when I wake up I am

I don't wanna sleep - wanna sleep  
When she comes I fall deep  
She catches my soul, destroys my heart  
And when I wake up I am scarred
