I cannot go into the market  
I cannot go into the city  
I cannot celebrate in the disco  
I cannot enjoy the society

Everywhere I want to go  
Everybody looks at me  
When everybody's looking at me  
I know, I know - yeah

I'm so fucking pretty  
I'm so fucking pretty  
I'm so fucking pretty  
I'm so fucking pretty, pretty, pretty baby - ooh  
I'm so fucking pretty

I cannot go into publicity  
I cannot go to school  
Yeah girl, I know you love me  
I'm so fucking beautiful

Everywhere I want to go  
Everybody looks at me  
When everybody's looking at me  
I know, I know - yeah

I'm so fucking pretty  
I'm so fucking pretty  
I'm so fucking pretty  
I'm so fucking pretty, pretty, pretty baby - ooh  
I'm so fucking pretty

(Instrumental)

I'm so fucking pretty  
I'm so fucking pretty  
I'm so fucking pretty  
I'm so fucking pretty, pretty, pretty baby - ooh  
I'm so fucking pretty
