My dear lady, do you remember me?
You didn't care, I have been where I wasn't allowed to
be
Every one say "be nice to girls"
Preachers pray "don't have sexual intercourse"

But I broke the rules
I was interested in you

You were great, I was great, it was great
Once fascinated me totally
I'll never forget something at you, my chick
It's the beautiful, beautiful mad red slip

My dear darling, I think everything
has been for nothing, you're not my queen
I mean serious, don't be frustrated
Now I'm content, it was great then

You showed me I'm a man
Listen to me, I say it again

You were great, I was great, it was great

Once fascinated me totally
I'll never forget something at you, my chick
It's the beautiful, beautiful mad red slip

(Solo)

You were great, I was great, it was great
Once fascinated me totally
I'll never forget something at you, my chick
It's the beautiful, beautiful mad red slip

You were great, I was great, it was great
Once fascinated me totally
I'll never forget something at you, my chick
It's the beautiful, beautiful mad red slip
The mad red slip
The mad red slip
The mad red slip

The mad red slip
