You think that you can have sex, that you can have
Sex with a girl like her
You think that you can have sex, that you can have
Sorry, but she's too sexy for

You think that you can have sex, that you can have
Sex with a girl like her
You think that you can have sex, that you can have
Sorry, but she's too sexy for you

Last time you was in love is a long time ago
I guess two years or maybe three, therefore I don't
know
Why you think that you can appeal to that girl
Cause she's well-liked and maybe the most beautiful of
the world
Hey guy, you must to surrender
Hey boy, she's out of your league
Hey guy, don't bother that girl
Hey boy, you stand no chance

You think that you can have sex, that you can have
Sex with a girl like her
You think that you can have sex, that you can have
Sorry, but she's to sexy for you

I pretend to be surprised while you tell me you're
distracted
And you're desperate 'cause that pretty girl is not
interested

Your look and your love inside are your public enemies
But as long as nobody shows you how to improve you
only fuck her in fantasy
Hey guy, you must to surrender
Hey boy, she's out of your league
Hey guy, don't bother that girl
Hey boy, you stand no chance

You think that you can have sex, that you can have
Sex with a girl like her
You think that you can have sex, that you can have

Sorry, but she's too sexy
for you, for you, for you, for you

Hey guy, you must to surrender
Hey boy, she's out of your league
Hey guy, don't bother that girl
Hey boy, you stand no chance

You think that you can have sex, that you can have
Sex with a girl like her
You think that you can have sex, that you can have
Sorry, but she's too sexy
for you, for you, for you, for you
