Baby you're the only reason  
That this ain't my favorite season  
I spend all my time just counting the days  
And I wish you would come and see me  
Or at least half way to meet me  
But Michigan's just so far away

Oh, the sunset's always lovely  
Oh, but I'd rather be with you

One more week 'til were together  
Then I'll finally see your face  
This whole month felt like forever and a day  
Babe I'm feeling kind of lonely  
Those three words just ain't enough  
You can tell me that you love me  
But that ain't what your boyfriend said

He's got a sports car and some money  
And I think it's kind of funny  
This shouldn't have been such a surprise  
And there's no use getting angry  
'Cause I see it now so plainly  
Thru the subtle hint of red in my eyes

Oh, you never seem to answer

Oh, are you with him instead

One more week 'til were together  
Then I'll finally see your face  
This whole month felt like forever and a day  
Babe I'm feeling kind of lonely  
Those three words just ain't enough  
You can tell me that you love me  
But that ain't what your boyfriend said

So tell me, did you lie when you said you loved me  
Tell me, did you lie when you said you cared  
'Cause that ain't what your boyfriend  
That ain't what your boyfriend  
No that ain't what your boyfriend said

One more week 'til were together  
Then I'll finally see your face  
This whole month felt like forever and a day  
Babe I'm feeling kind of lonely  
Those three words just ain't enough  
You can tell me that you love me  
But that ain't what your boyfriend said
