Sometimes life just makes it hard for me to breathe  
Sometimes life just makes it hard for me to breathe

'When the good turns into bad  
And the happy into sad  
When the weight of this big world  
Is too much for this small girl  
And I gotta find a way  
Just to make it through the day  
So I left my hand I'm safe  
Everything will be okay, babe'

Oooh the tears from your eyes dance the rain from the  
sky  
Get yourself high  
Ooooh the tears from your eyes dance the rain from  
the sky  
Get yourself high

Sometimes life just makes it hard for me to breathe  
Sometimes life just makes it hard for me to breathe

'When the good turns into bad  
And the happy into sad  
When the weight of this big world  
Is too much for this small girl  
And I gotta find a way  
Just to make it through the day  
So I left my hand I'm safe  
Everything will be okay, babe'

Oooh the tears from your eyes dance the rain from the  
sky  
Get yourself high  
Ooooh the tears from your eyes dance the rain from  
the sky  
Get yourself high  
Get yourself so  
Oooh the tears from your eyes dance the rain from the  
sky  
Get yourself high

Ooooh the tears from your eyes dance the rain from  
the sky  
Get yourself high

When the good turns into bad  
And the happy into sad  
When the weight of this big world  
Is too much for this small girl  
And I gotta find a way
