Take my hand  
Don't let me be  
Nobody knows me better than you  
Stay with me  
You can help me through  
Nobody knows me better than you  
I know crying is useless  
But I don't I don't want it to end this way  
Cause I love you I need you I want you  
Don't ever walk away  
Share my life  
Like you used to do  
Nobody knows me better than you  
I know crying is useless  
But I don't I don't want it to end this way  
Cause I love you I need you I want you  
Don't ever walk away
