She been alcazarized  
She been alcazarized (alcazarized)

This is a dance floor of docusoap (hey, hey)  
This is a dance floor of docusoap  
This is a dance floor of docusoap (hey, hey)  
I just can't, I just can't get over it

Tess comes to town, (Tess)  
The god of success, (success)  
She plays the part  
With glamour of caress, (caress)  
Aimee amore (aimee amore) is Annikafiore  
(Annikafiore)  
We just adore her  
The drama queen of us

On this weeks episode  
Andreas chocks the crowd  
And comes back from the could  
When Magnus fights and wins  
His band of gold  
So that you, you just can't, you just can't get over it

This is a dance floor of docusoap (oaha,)  
This is a dance of floor docusoap (hea, aoh)  
This is a dance floor of docusoap (hey, hey)  
I just can't, I just can get over it

We've got the girls (girls)  
They fixes in the ring  
We've got the guys (guys)  
They salsa, salsa swing  
Count in the karma  
A dandy discorama  
God save the drama  
There's about the king

On next weeks episode  
Our gonna far will scourge  
We fill the final four

Inside the wept of secrets  
Kissed the toed  
So that you, you just can't, you just can't get over it

This is a dance floor of docusoap (hey, yeah)  
This is a dance of floor docusoap (hey, hey)  
This is a dance floor of docusoap (hey, yeah)  
I just can't, I just can't get over it

She been alcazarized, (alcazarized)  
She been alcazarized, (alcazarized)  
She been alcazarized (alcazarized)  
She been alcazar  
She been alcazar  
She been alcazarized

This is a dance floor of docusoap  
I just can't, I just can't get over it

...

This is a dance floor of docusoap (hey, hey)  
This is a dance of floor docusoap (hey, hey)  
This is a dance floor of docusoap (I just can't)  
I just can't, I just can't get over it
