Masters of the world
Hidden from our eyes
In the sun we grew
Sharing the same light

Elegant warrior my gun and your spear
Killers that keep our lives apart

Pictures from the air
Stole away your souls
Aerobatic thieves
Photographic freeze

Step by the legend of Kree Nakoorie
The man that hides away from man
We need to understand

Flying bladed ships
Carried us to you
As you walk away
Trees obscured our view

Led by the legend of Kree Nakoorie
The man that hides from all the world
The masters of the world
