Oh Alcazar
Everybody is a star
Oh Alcazar
Just be proud of who you are
Oh Alcazar
Celebration when we ring
The bells of Alcazar

Oh Alcazar
Everybody is a star
Oh Alcazar
Just be proud of who you are
Oh Alcazar
Celebration when we ring
The bells of Alcazar

We've come from around the world
We stand at the golden tower
The tribes go marching in
Go dancing in the tower of power
In the midnight hour
When the bells are ringing tonight

Oh Alcazar
Everybody is a star
Oh Alcazar
Just be proud of who you are
Oh Alcazar
Celebration when we ring
The bells of Alcazar

Oh Alcazar
Everybody is a star
Oh Alcazar
Just be proud of who you are
Oh Alcazar
Celebration when we ring
The bells of Alcazar

We are the chosen ones
We rule from the golden tower

Just like the prophets said
Go dancing in the tower of power
In the midnight hour
When the bells are ringing tonight

Oh Alcazar
Everybody is a star
Oh Alcazar
Just be proud of who you are
Oh Alcazar
Celebration when we ring
The bells of Alcazar

Everybody is a star
Just be proud of who you are
Celebration when we ring
The bells of Alcazar

Oh Alcazar
Everybody is a star
Oh Alcazar
Just be proud of who you are
Oh Alcazar
Celebration when we ring
The bells of Alcazar

Celebration when we ring
The bells of Alcazar
