Looking back on all that Iâ€™ve endured
I live to fight another day
My pain and sorrow are few and far between
Now youâ€™ve let me break away

From the place where all my dreams had died
No excusing me, thereâ€™s nothing left inside

Take me away from all the things that I have ever
known
Take me away, yeah
Take me away from all the ones whoâ€™ve ever held me
back
Show me the way

Now Iâ€™m on my own, thereâ€™s nowhere left to run
My self-control is growing weak
My dreams are haunted by the things that I fear most
All the faults inside of me

You opened up my eyes so I could see

You gave me hope to be all I can be

Take me away from all the things that I have ever
known
Take me away, yeah
Take me away from all the ones whoâ€™ve ever held me
back
Show me the way

Take me away
Take me away

Take me away from all the things that I have ever
known
Take me away, yeah
Take me away from all the ones whoâ€™ve ever held me
back
Show me the way

Take me away

Take me away
