

## Overdrive Orchestra "The Initiative"

Visit "[The Initiative](#)" on MotoLyrics.com

Control is your name, enslaving your game  
You'll soon lose your friends once your paychecks all  
end  
Free up your mind, it's blind leading blind  
Pry open your eyes and see

Do what you're told, you'll be fine  
Join the ignorant in line  
For some propaganda to eat  
Apathetics can't handle the heat

Well you've got some money, a pretty little bunny  
You're living in vanity, and corporate insanity  
Don't believe what you're shown, you're thoughts  
are your own  
Don't be the victim

Do what you're told, you'll be fine  
Join the ignorant in line  
For some propaganda to eat  
Apathetics can't handle the heat  
The truth lies within the smoke  
In real reality you can't choke  
The truth lies within the smoke  
In real reality you can't choke  
The truth lies within the smoke

Do what you're told, you'll be fine

We're the brainwashed nation  
We're an enslaved nation  
We're the brainwashed nation  
We're an insane nation  
We're the brainwashed nation

We're brainwashed, we're enslaved, we're insane,  
we're brainwashed  
We're brainwashed, we're enslaved, we're insane,  
we're brainwashed
