I could sing of your praises all day long  
I could sing of your praises all day long, all day long  
Cos you are, so amazing to me  
I lift my hands in adoration to you  
You are, so amazing to me  
I lift my voice in adoration to you

You are, You are  
Oh you are  
Oh oh

I could sing of your mercies all day long, all day long  
I could sing of your mercies all day long, all day long

Cos you are, so amazing to me  
I lift my hands in adoration to you  
Oh you are, so amazing to me  
I lift my voice in adoration to you

And you are, lily of the valley  
Bright as morning star  
You are fresh as a summer breeze  
And to me all that is clear

You are so amazing to me  
I lift my hands to you

(I lift my hands)  
You're so amazing (So amazing)  
Oh yes you are

I could sing of your goodness all day long  
All day long  
I could sing of your goodness all day long, all day long

Cos you are, so amazing to me  
I lift my hands in adoration to You  
Oh you are so amazing to me  
I lift my voice in adoration to You

All day long (All day long)  
I could sing (I could sing)

Of your goodness (Of your goodness, goodness)

All day long (All day long)  
I could sing (I could sing)  
Of your love (Of your love)

Your so amazing (La, la, la, la, lalala,lalala)  
Your so amazing (La, la,la,la Oooh)  
(repeat)

Your so amazing
