You are every breath I breathe in
You are every breath I breathe out
You are every breath in me God
Every moment in your hands, every moment in your
hands

You are in the midst of chaos
Hiding me beneath your feathers
You will keep my heart from failing
Every moment in your hands, every moment in your
hands

You are in my every heart beat
My first, my now, my last beat
Guiding all the steps of my feet
Every moment in your hands, every moment in your
hands

You are in the midst of chaos
Hiding me beneath your feathers
You will keep my heart from failing
Every moment in your hands, every moment in your
hands

He will stretch his wings to cover when troubled times
are viewed
Giving courage to the fearful heart forever standing
near
Every moment in your hands
You are in the midst of chaos
Hiding me beneath your feathers
You will keep my heart from failing
Every moment in your hands, every moment in your
hands

Oh oh oh oh oh
Oh oh oh oh
Oh oh oh oh oh
Every moment in your hands, every moment in your
hands
Every moment in your hands
