ooo every time i think about it HEAVEN
I'm overjoyed and overwhelmed
doo doo
see the sound i hear is more than Merely humor
i know it shakes the gates of hell

chorus:

i hear angles singing majestic are you lord
streams of glory flowing from your throne
always and forever you reign
Holy, Holy, Holy

A place where sadness is forbidden
and there are only tears of joy
and all rocky roads are smoothed away
bada doo doo
celestial beings are rejoicing and singing freedom
songs
along with those who've been redeemed

chorus:

i hear angles singing majestic are you lord
streams of glory flowing from your throne

always and forever you reign
Holy, Holy, Holy

oh i can see it now the joy and laughter
the thought of your presences and the here and ever
after
oh i said that i can see it now
smiling faces everywhere
singing holy, holy, holy

angles singing majestic are you lord
streams of glory flowing from your throne
always and forever you reign
Holy, Holy, Holy
oh my god is able, able, able
able, able, able
you are righteous, righteous, righteous x2
you are holy holy holy

holy holy holy
