This is the year of jubilee i will rejoice
This is the year of jubilee i will lift my voice
This is the year of jubilee i will rejoice
This is the year of jubilee

Raise the banner up high
Raise it high to the sky (x2)

This is the year of jubilee i will rejoice
This is the year of jubilee i will lift my voice
This is the year of jubilee i will rejoice
This is the year of jubilee

Raise the banner up high
Raise it high to the sky (x2)

Let Zion lift her voice in triumph
Let sons and daughters prophesy
Let all her prisoners go free
Because i know
This is the year of jubilee

This is the year of jubilee i will rejoice
This is the year of jubilee i will lift my voice
This is the year of jubilee i will rejoice
This is the year of jubilee

Let every heart rejoice
Lift up your voice and say I'm free

Now that your debts been paid
You have been forgiven indeed
Now run and tell it
Tell everybody

Let every heart rejoice
Lift up your voice and say I'm free
Tell everybody

Now that your debts been paid
You have been forgiven indeed
Now run and tell it

Tell everybody

Let every heart rejoice
Lift up your voice and say I'm free
Tell everybody

Now that your debts been paid
You have been forgiven indeed
This is the year of jubilee

Raise the banner up high
Raise it high to the sky (x4)
