You can Do anything

I know (You can do anything)
I know (You can do anything)
I know (You can do anything)
Far as the eye can
beyond my wildest dreams
You can do anything

You can, Yes You can, I believe it Jesus, You can do
anything

I know (You can do anything)
I know (You can do anything)
I know (You can do anything)
Far as the eye can
beyond my wildest dreams
You can do anything

Blind eyes healed, Lame to walk
Part the Red Sea, You delivered me
Two fish, five loaves of bread
Five thousand soldier fed
Turn my morning into dancing
Walked on water, Turned water into wine
God of creation, Savior divine
Far as the eye can
beyond my wildest dreams
You can do anything

You can do anything, Yes you can (Yes you can), Yes
you can, I know I know You can

I've seen too much
I heard too much
I know too much

About the power of the Holyghost
It saves too the utmost

oohhh, I've seen too much
I heard too much

I know too much
About the power of the Holyghost
It saves too the utmost

Blind eyes healed, Lame to walk
Part the Red Sea, You delivered me
Two fish, five loaves of bread
Five thousand soldier fed
Turn my morning into dancing
Walked on water, Turned water into wine
God of creation, Savior divine
Far as the eye can
beyond my wildest dreams
You can do anything

Blind eyes healed, Lame to walk
Part the Red Sea, You delivered me
Two fish, five loaves of bread
Five thousand soldier fed
Turn my morning into dancing
Walked on water, Turned water into wine
God of creation, Savior divine
Far as the eye can
beyond my wildest dreams
You can do anything
