“May those frightened cease to be afraid. (Old message, received today 12:37pm). May those bound be free. May the powerless find power and may people think of befriending one another. May the children, the aged, the unprotected, be guarded by beneficent celestials, and may they quickly attain Buddhahood.” 1

(Dialing) What a minute what am I doing? Iâ€™m calling God? Thatâ€™s crazy!
Well, maybe itâ€™s not such a bad idea. Whatâ€™s the harm in trying?

(dialing) Hi God? This is Rhonda Rose calling from planet Earth, but you probably know that already. Just in case youâ€™re listening, I thought Iâ€™d let you know that we could really use your help down here. A lot of people seem to be suffering. The air is more polluted than ever. Clean drinking water is scarce. People are hungry, hungry for food yah, but also very much hungry for love. So hungry in fact that there seems to be an epidemic, a disease called greed eating peopleâ€™s souls. It is like people have forgotten who they are and why they are here on the planet, driven by an energy of wanting, wanting, wanting, living with short-term vision, looking out only for number one. Peopleâ€™s inner world seems polluted so our outer world is polluted. God, without self-love, how can we feel real love for one another? We could really use your help down here so please send love. Thanks.

(Ring) Hello?
â€œHello. This is God. We have heard your call and we feel your heart. Life is to love and love is life. Be love. Be loved. Wanting is not love. Love is to witness unfolding. Love is beyond wanting. Love is free, is freeâ€¦â€
