Bonjours mademoiselle petite fleur! ãa va bien
aujourd'ãhui? (Fun, fun,
fun sun! Flowers!)
Sguardo! I fiori sono cosi bei!
Die Blumen sind schon, sehr schon!
Las flores son hermosas!

In the beginning and always, there are flowers many
flowers.
And from them come all of life and all of life is love.
Flowers, life-giving flowers, flowers called love!

I am a flower
Love is a flower
Life is a flower
Iãm a flower!
(Flower love ã- love life ã- yah!)

From them come all of life and all of life is love.

Flowers, life-giving flowers, flowers called love!

I am a flowerã...

Each day, flowers open, delicate petals sing
(Bonjours mademoiselle petite fleur! ãa va bien
aujourd'ãhui? Oui, ãa va
trãs bien merci!)
Each day, flowers open (Bonjours soleil!) to receive the
sun

Sguardo! I fiori sono cosi bei!
Die Blumen sind schon, sehr schon!
Bonjours mademoiselle petite fleur! ãa va bien
aujourd'ãhui?
Oui, ãa va trãs bien merci!

I am a flowerã...

Love the flowers. They love you! (Love!)
