Ha ha ha, come here, got a package
Wait, wait, I know what I want for Christmas
What you want? I want T Boz to get me ah
Some headphone sets and I want Left Eye to make me
A, uh, make me a fly dress, well, Merry Christmas from
TLC

Let's have a very merry Christmas
And a happy New Year
Give with love and joy and happiness
And lots of good cheer

Have a very merry Christmas
And a happy New Year
Filled with love and joy and happiness
And lots of good cheers

Just hear those sleigh bells jing a ling, ring ting ting a
ling too
It's lovely weather for a sleigh ride together with you
Outside the snow is fallin' and friends are calling, "Yoo
hoo"
It's lovely weather for a sleigh ride together with you

Let's have a very merry Christmas
And a happy New Year
Give with love and joy and happiness
And lots of good cheer

Have a very merry Christmas
And a happy New Year
Filled with love and joy and happiness
And lots of good cheers

Reindeer presents happiness

Giddiup, giddiup, giddiup and away we go
In winter wonderland, off we ride in the snow
With the Left everything is grand
Sleigh ride if you like me, baby, don't be scared
Take my hand, T to the Left Eye C if you can take a
glide

Giddiup the guts and step on up so we can sleigh ride

Cheeks so nice and rosy comfy cozy we're in
We're snuggled up together like two birds of a feather
would be

So, let's take the road before us sing a chorus or two,
oh

C'mon, it's lovely weather for a sleigh ride together
with you

Let's have a very merry Christmas
And a happy New Year
Give with love and joy and happiness
And lots of good cheer

Have a very merry Christmas
And a happy New Year
Filled with love and joy and happiness
And lots of good cheers

Jingle bells, Batman smells, Robin laid
Up, up and away, if we're flyin' in the sleigh
Home Alone, Christmas Eve, make believe it's time to
play

So let's flow on this snow with a sack on my back
'Cause Santa's tryin' to mack in his Cadillac
Ridin' and a ridin' but when it gets to decidin'
He's a slippin' and a slidin' in his own sleigh ride

A merry little Christmas, oh yeah, hey, yeah
A merry little Christmas, oh, oh

Baby don't you know I'm home?
Don't wanna spend the night alone
A very Merry Christmas
Would ya wanna spend it with me

It's somethin' in the way I care
About the times that we have shared
It's a very merry Christmas
Would ya wanna spend it with me

Let's have a very merry Christmas
And a happy New Year
Give with love and joy and happiness
And lots of good cheer

Have a very merry Christmas
And a happy New Year
Filled with love and joy and happiness
And lots of good cheers

Let's have a very merry Christmas
