You can't stop hate
You can't stop face
You can't stop faith
You can't stop traffic
You can't stop basic
You can't stop plastic
You can't stop romantics
You can't stop man
You can't stop girls
You can't stop world
You can't stop thrills

You say you got a finger on my stuff
Forget about the boring we're born too tough
You're in my way you know you're luck
Is anybody saying you're way too rough?
You're getting all wild
On things that I'm gonna think
That I'm gonna want
That I'm gonna see
That I'm gonna need
That I'm gonna need to take more of
You... Can't... Hmmmmm
You... Can't... Stop
You... Can't Hmmmmm
You... Can't... Stop

You can't stop one TWO
You can't stop two
You can't stop more
You can't stop you
You can't stop dreams
You can't stop scenes
You can't stop air
You can't stop fair
You can't stop sayin'
You can't stop brain
You can't stop love
You can't stop drugs
You can't stop blood
You can't stop much
