There is a door we all walk through
And on the other side I'll meet you
Reunion in the air - a cappella meets pure prayer
Somewhere : I can't wait to meet you there
Somewhere : I can't wait to meet you there
If there ain't a heaven that holds you tonight
They never sang doo-wop in harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in harlem
There is a door it may seem locked
But in a little while - don't be shocked
Above the noise, behind the glare
I know you're listening out there - somewhere
Somewhere : I can't wait to meet you there
Somewhere : I can't wait to meet you there
If there ain't a heaven that holds you tonight
They never sang doo-wop in harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in harlem
If there ain't a heaven that holds you tonight
They never sang doo-wop in harlem

If there ain't a heaven that holds you tonight

They never sang doo-wop in harlem
