

Pusha T "Can I Live"

Visit "[Can I Live](#)" on MotoLyrics.com

Coming live in direct from Abu Dhabi
Recorded in Emirate's palace
I bring to you the Fear of God
Noah on the boards. Steven Victor on the camera
Virgil whatup?

They say it took confidence
I just call it patience
Cause I had too much pride to take this motherfucking
cadence
Now when the feds watch me, private paparazzi
Still chasing me for war crimes like a Nazi
Against all odds see the judge tried to Pac me
Lucky dice roll got my lawyers screaming "Yatzhee"
Who the fuck can stop me run away freight train
Mike Vick's redemption, big doggin like a great dane
12 cylinders 50 grams of willing ya
These rappers get away with pushing child Illingers
Now it's hard feelings... I just put my ceiling up
Planetarium push, the Imax experience

They say I talk coke for 9 years long
That means my rap sheet is more than 9 years strong
You niggas would have thought that I was 9 years gone
But I am still in the mix like 9 ounces and a straw
Nigga get your bag on
Bitch get your bag on
Balenciaga Hobo so heavy that you drag home
Yeah, see my verse I let you tag along
Swim in the oasis of this drug dealer Babylon
3 bitches 3 different flights
Glad it was 4 sides at that Paul Williams fight
The Wynn, the Bellagio, the Palms 3 nights
As long as they are separated they are my three blind
mice
You can't just rap this; the same mindset
That had me hiding in the mattress, now got me round
the atlas
Wish every dough boy could get a crack at this
They say when one ends, that begins a new chapter
Can I live?
You tell me, can I live?
