Tony montana, tony montana, tony montana, tony montana  
Check about my ears  
Tony montana, tony montana, tony montana, tony montana  
Alright cut the... don't loose it  
Tony montana, tony montana, tony montana, tony montana  
You leave me to choice...  
Tony montana, tony montana, tony montana, tony montana

Started with 28 grams and a hammer  
Bitch look at me now, tony montana  
Gave me 2 options, hell or the slammer  
They forgot the third, I'm on top, antenna  
Winter time, bags at the mall, bad santa  
... plaza... atlanta  
Twinkle toe, louis vuitton, hoes love glamour  
Black and white diamonds in the chain, that's panda  
Good music calendar, death jam planner  
Now everybody fans, in the fields got cameras  
Of white top on the coup like dandruff  
Turning k's over white girls...  
... that's standard,  
He asked to get... 20 more, that's random  
See the signs, cut the nigger short, that's cancer  
Kill them and kiss his mama chick, that's manners

Tony montana, tony montana, tony montana, tony montana  
Check about my ears  
Tony montana, tony montana, tony montana, tony montana  
Alright cut the... don't loose it  
Tony montana, tony montana, tony montana, tony montana  
You leave me to choice...  
Tony montana, tony montana, tony montana, tony montana
