[ Freddie Foxxx ]

Mic check 1-2, strap it up, load the beat, cock the mic  
And your rhyme better be fat, or you might have to  
fight  
Yeah, there's no escape from the terrordome  
You know I'm nice when I'm bustin fat rhymes on the  
metronome  
MC's never pass the mic to the Foxxx, cause  
Once I bust a fat rhyme, you be a has-was  
I beat you down on stage and when the battle's over  
You'll be leaving your show in a hearse Nova  
I'm flippin the x's three times and I'm back again  
See, on my way down stage they had me strapped in  
But once I hit New York and they losened the chains  
I went and bought me a Tec, now I'm wild, insane  
I'm on a hunt for a rapper who wanna turn singer  
I got my beat-em-down bat and a itchy finger  
So if you're nice with the mic and you wanna flip  
I'm the rap bounty hunter and it's time to get yo ass  
whipped  
Yeah, I'm comin from the streets, pop  
And please fight back, so you can get dropped  
It's time to see who's nice and who can really rap  
I smack the taste out your mouth, you wanna be a mack  
I'm not tryin to shake the water and wake the gator  
But I'ma pass the mic like a hot potato

1 potato, 2 potato, 3 potato, 4  
(1 - 2 - 3- 4)

[ Treach ]

You fly high...  
I heard your tape, then flipped the next side lookin for  
the def side  
You couldn't be alright if I erased your left side  
Who's wet dried when Treach tried, next died  
I'm gonna slide your wet wide, so step side  
Any dull raps get the skull caps pulled back full breeze  
Blastin your ass back at full speed  
Hoes in flow, you know, bimbo  
And won't stop prayin and playin until I'm layin up in fo'

Nowhere to run, nowhere to go  
I got a solid hip below the belt t
