

You wanna get a richer life, you better get a mack
So he can work ya like the trick you really are, ya stunt
I'm hittin the backdoor when I come cos you're a fuckin
front

You disappointed me, I had many plans in store
I didn't know that I was in for, a project whore or
A money-grabbin dragon wit no future plans
Pickin a newer coat or car, you need a newer man
Cos I ain't livin to be givin out what I done save
You wanna live in a condo, better find a cave
If we went half on the rent or if ya had a job
Then I could think about it before I say "Oh naw"
Hell no is all I think about when I see you
Damn real is how I feel when I be comin thru
"Wit what?" is what you ask, I come thru in the end
"How's that?", cos when I drop one, I call her friends
Bravo, damn real, oh yes is what comes next
You gotta get up mighty early to twirl the Treach
I diss you, you'll be strugglin, and you say "I want you,
sir"
If ya front, if ya stunt, huh, I might want her

[Word em up] (Damn, he just rip that shit)

Verse 2: Treach

(Ooooooh, can I get?) Hold your breath
(Will you die?) Not the Treach
(I want those) Never that
(Gimme this) Put it back
(But you smooth) Very nice
(Ain't it def?) Not that bright
(Check you shoes) So, there's two
(Down on sound) So are you
Yes indeedy, I get greedy when it comes to dough
Cos then I'm eedy with the heebie-jeebies when I'm
broke
And I don't so don't wanna roll a brother any long'
So I just try and on and on over time alone
Yeah, I spend in two's infuse, baby, you won't last
You'll be runnin so fast, your feet'll be kickin your own
ass
Your every ride is somethin makes you just say
"HmMMM"
Cos she drivin his car more than he does any room
Ya call me "Dual lock", it is true, I say "Now hey hey
there"
Call us some black shit, pop a click, I say you're halfway
there
If ya wanna movie or dinner, I say "Oh, here"
You wanna trip or a cruise, ya bitch, I mean, no dear

You'll be alright though, you'll find the right bro
He'll have the right ho, then y'all a go broke
But anyway, for any day, I'm dissin any trick
That's tryin to flick my bit cos I ain't havin it
