{let me lick you girl where the sun don't shine}  
{I'm gon' sing Treach gon' rhyme}  
{let me lick you girl where the sun don't shine}

Chorus: Big Pun + backup singer (repeat 2X)

We can do it in the middle of the night girl  
We can do it on the beach in the sunlight  
We can do it anywhere that you like girl  
Long as you do it, and do it, all night

[Big Punisher]  
So how you like it mama? In the morning coming out  
the sho-wah?  
How bout the middle of the night, late after hours?  
My powers be have her comin hard to God, say good  
Muslim  
From the way I crush the sun, the moon, and then the  
stars  
Punisher's large like the planets  
But if you make my dick hard like Janet  
Then you can ride the Squad transit  
Trizz Nathaniel to you, can you handle my crew?  
Bend over by the fridge and hand me your brew  
This is how we do, that's just how you do  
Throw a hand in the air, and scream Trizz Power rules  
(Trizz Power rules) Again (Trizz Power rules)  
That means you run train, with your whole damn crew,  
c'mon

Chorus

[Treach]  
Dirty Jerz, wettin the set, with no sweat and Moet  
If you want the Treach, there's no dick with no lickin  
For you home or hubby, how come ? make it sunny

You took off the rag, so don't get mad that it's runny  
I fuck with the rubby, and long stroke don't poke  
Put the hooter in your cooler til your booty gets soaked  
I knock it from the front, and make you look at your foot  
Hit it solo from the back I might forget how you look  
An old crook crashin knowin who wanna screw  
I've been fuckin ever since you called it doin the do  
Now who you doin it to? The fuckin screw of the crew?  
Hittin somethin and drunk drivin past the boys in the  
blue  
Talkin to you

Chorus

[Treach]

Poo-tang..tang.. no scallywagging! Now  
Hit it from the Illtown ground to Cali alley, now  
Bang it in a Boogie Down building, with no windows  
(BX)

With your partner riding Big Pun, passin indo  
If Pun smack her ass tell her grab his gut  
Cause when I pop the cock, watch the nuts erupt  
Been platinum, no more sleepin on latin rappin  
(boricua)  
So get your mackin crackin and Pun pass the Magnum

[Big Pun]

It's me Big Pee the bachelor  
Your Secret Garden need a weeder whacker  
All I need is my gat and my black Cleopatra  
She the master of seduction with a classy introduction  
Must be after somethin way she make that ass function  
Pass the Dutch and take off your boots  
I'ma call my troops, and just work that caboose  
Terror Squad the truth, we the proof for the kids  
In the Coupe with the Trizz, WHOOT! There it is, c'mon

Take off your clothes, meet me in the bathtub  
I wanna get it on, scrub a dub rub  
Last night baby, told me that you'd stay  
And when I awake it seems like you're gone for days

Chorus (minus Big Pun) only \*1X\*
