No catch, no strings
None of the usual things
I'm happy just to lay and look
Let's throw out the book
Now we're off the hook
And please

Be nice to me

Be nice to me

So tired, so sad
So sick of being had
By everyone who comes along
Would it be so wrong
If you played along
And please

Be nice to me
It's been a long, long time since I felt so fine

Be nice to me

And would it bring you down if I hang around
I know your love is fine
I know what's on your mind but
Don't laugh, don't cry
Don't make me wonder why
You're doing what you're doing now
Can't you see somehow
It's the wrong time now
So please

Be nice to me

(Nice to me...)

Be nice to me
It's been a long, long time since I felt so fine

Be nice to me

It's been a long, long time since I felt so fine

Be nice to me

Be nice to me

Be nice to me

Be nice to me

La la la la la, no catch

La la la la la, no strings
