All your life you've waited  
For love to come and stay  
And now that I have found you  
You must not slip away  
I know it's hard believing  
The word's you've heard before  
But darling you must trust them  
Just once more

[Chorus]

'Cuz Baby, Goodbye doesn't mean forever  
Let me tell you  
Goodbye doesn't mean  
We'll never be together again

[Rumer - Verse 2]

If you wake up and I'm not there  
I won't be long away  
Cos the things you do my Goodbye Girl  
Will bring me back to you

I know you've been taken  
Afraid to hurt again  
You fight the love you feel for me  
Instead of giving in

But I can't wait forever  
Helping you to see  
That I was meant for you  
And you for me

[Chorus]

'Cuz baby, Goodbye doesn't mean forever  
Let me tell you goodbye  
Doesn't mean we'll never be together again

Though we may be so far apart  
You still will have my heart  
So forget your past my Goodbye Girl

Cos now you're home at last

Let me tell you goodbye doesn't mean forever  
Let me tell you goodbye doesn't mean forever  
Let me tell you goodbye doesn't mean forever  
Let me tell you goodbye doesn't mean forever
