I was running out of cafe conversation  
I was weary of fashion parade  
And it seems like there's a whole lot of people  
From out of town around here these days  
And in the streets, the preachers say  
"If you wanna go to Heaven, why don't you walk this way?"

All day I prayed for 5 O' clock  
I'm thinking maybe I should quit this job  
Then as the lights turn on the corner, I see your face  
And I light up like a child

'Cause you are the one who makes me see  
You are my saving grace  
You make me want to make me want to become  
Become better

'Cause when you walked in, you truly changed my world  
(Changed my world)  
When you take my hand  
(Take my hand)  
You make me strong  
And when I'm weary, I don't have to explain myself  
(Explain myself)  
When I crawl the stairs  
(Crawl the stairs)  
You let me rest

I never thought I'd ever see the sun again  
Bitterness was beating down my door  
Now I'm picking up the telephone, I read your name  
And I light up like a child

'Cause you are the one who makes me see  
You are my saving grace  
You make me want to become  
Become better

'Cause when you walked in, you truly changed my

world  
(Changed my world)  
When you take my hand  
(Take my hand)  
You make me strong  
And when you want me, I'll be there; you know I will  
(You know I will)  
Just take my hand  
(Take my hand)  
And I'll make you strong
