What good is the dawn that grows into day?
The sunset at night or living this way?
For I have the warmth of the sun
Within me at night

The love of my life
He left me one day
I cried when he said
"I don't feel the same way"

Still, I have the warmth of the sun
(Warmth of the sun)
Within me tonight
(Within me tonight)

I'll dream of his arms
And though they're not real
Just ???? ????
The way that I feel

I love like the warmth of the sun
(Warmth of the sun)
It won't ever die
(Won't ever die)
