I want you here next to me
I can wait, I can wait
But I'm impatient baby
You, I need you
Please get here sooner somehow
I miss you, I miss you tonight

It's only been a week
And I can't sleep
Look at what you've done to me
Why'd you have to go?
Now I'm alone you know
Writing songs at half past three

I'll count down the days
til I see you again
You know it's true
And I wish you were here
Or that I was there
I know that you do too

I want you right here next to me
I can wait but I'm impatient baby
You, I need you
Please get here sooner somehow
I miss you, I miss you tonight

Here I am
Just as planned
In my window seat
On a plane
To reclaim
Half of my heartbeat

I'll count down the days
til I see you again
You know it's true
And I wish you were here
Or that I was there
I know that you do too

I want you right here next to me

I can wait but I'm impatient baby
You, I need you
Please get here sooner somehow
I miss you tonight

I want you right here next to me
I can wait but I'm impatient baby
You, Please get here sooner somehow
I miss you tonight
