Hey you, with smile on your face
Yeah, I thought I knew you
Ooh ooh ooh ooh

Yeah, you told me you cared
And I believed every word like a fool
Oooohh

Hey you, I thought I meant
A little more to you than this
He-eeey...

I guess you changed your mind
And what's a story with not plot twist
sigh

Well excuse me for listening
And letting you in
And excuse me for staring
In disbelief when
You changed your mind
Like it was no big deal
How dare you tell me
You know how I feel

Whoa-oh though I knew you better than that
Baby, better than that
Whoa-oh so cold and matter of fact
Baby, matter of fact
Whoa-oh betcha think you're better than me
Better than me
Whoa-oh can't believe I almost said sorry

Hey you
Apparently you're doing just fine
Ine-ine-ine-ine

I mean, good for you
Movin' on in no time

But I really thought
We were in the same boat

Oh...

Well I was way off
Wasn't I?
But now I know

Well excuse me for listening
And letting you in
And excuse me for staring
In disbelief when

You changed your mind
Like it was all part of your plan
How dare you tell me
That you understand
Hah!

Whoa-oh though I knew you better than that
Baby, better than that
Whoa-oh so cold and matter of fact
Baby, matter of fact
Whoa-oh betcha think you're better than me
Better than me
Whoa-oh can't believe I almost said...

News flash, I'm not out to getcha
I'm just signin' fa la la la
No grudge, no spite, I'm not scheming
Hey, guess what? My heart's still beating
You're terrified to hear this CD
And maybe you should be
I could tear you down
Like we're thirteen
Is that what you think?
Is that what you think?
... That I'm that mean.

Whoa-oh though you knew me better than that
Baby, better than that
Whoa-oh how else could I react
Baby, face the facts
Whoa-oh betcha think you're better than me...

Whoa-oh, I almost
Whoa-oh ohhh

Whoa-oh I almost
Said I'm sorry
Whoa-oh, I almost
Said I'm sorry

Whoa-oh though I knew you better than that
Baby, better than that
Whoa-oh so cold and matter of fact
Baby, matter of fact
Whoa-oh betcha think you're better than me
Better than me
Whoa-oh can't believe I almost said-

Haha.
