Ever feel like you're wastin' your time
Staring at a wall to find
Hidden meaning, or a sign
Turn your music on only to hear
A song that sums up all your fear
Lyrics whispering doubt in your ear
So I'm scavenging my playlist for
Upbeat not heartbreak galore
But I guess that's not popular on the dance floor
Searchin' high and low because
Lately I'm not thrilled with love
But I'm not quite in the mood for

These songs of heartache
Lies and mistakes
The pain we create
I need a:

Happy song, oh oh oh oh
A happy song, oh oh oh
So I can sing along, oh oh oh oh
A happy song, whoa oh
When nothin's wrong

Oh oh when nothing's wrong
Oh happy song

Ever feel like there just aren't enough
Cheerful songs to keep you up
You just keep listening to the same old stuff
Well I know
How you feel and
I've got a good deal
Of doubt...
That I can find enough happy songs to balance it out
So add this
To your happy playlist
Instead of

Those songs of heartache

Lies and mistakes

The pain we create
I need a:

Happy song, oh oh oh oh
A happy song, oh oh oh
So I can sing along, oh oh oh oh
A happy song, whoa oh
When nothin's wrong

Oh oh when nothing's wrong
Nothing's wrong

So I'm scavenging my playlist for
Upbeat not heartbreak galore
But I guess that's not popular on the dance floor
Searchin' high and low because
Lately I'm not thrilled with love
But that doesn't mean that I'm in the mood for

Those songs of heartache
Lies and mistakes
The pain we create
No thanks!
I want a:

Happy song, oh oh oh oh
A happy song, oh oh oh
So I can sing along, oh oh oh oh
A happy song, whoa oh
When nothin's wrong

Oh oh when nothing's wrong
Nothing's wrong

Oh. I want... a happy song!
