Melodramatic says, the world is out to get me
Oh I think I'm cursed right from the start
Oh it really shouldn't be this hard

And angsty teenage me would say I'm not supposed to
be happy
Oh what good love if it always ends?
Oh I'm just in the same place again

So I conclude
There's only one explanation
There's a sign on my head and it
Poses quite the complication
It must say:

Screw me over
Take anything you want from me
Carefully earn my trust then
Go back on your word immediately
Oh oh oh, oh oh oh, oh...

Overreacting me says I might never be free
Oh I'll just curl up on the floor
Oh I've never hurt this bad before

But sensible me says you really are a nice guy
But what makes guys like you do
Such terrible things, but I'm havin' a break through

As I conclude
There's only one explanation
There's a sign on my head and it
Poses quite the complication
It must say:

Screw me over
Take anything you want from me
Carefully earn my trust then
Go back on your word immediately
Oh oh oh, oh oh oh, oh...
Come at me like a bulldozer
Break my walls down as soon as I let go

Stay just long enough for me to get attached
And then you're free to go
Go... go... oh you're free to go, go

Come on, come on
Come at me like a wrecking ball
Come on, come on
Knock down my patiently built wall
Is that best you've got?

Screw me over
Take anything you want from me
Carefully earn my trust then
Go back on your word immediately
Oh oh oh, oh oh oh, oh...
Come at me like a bulldozer
Knock my walls down as soon as I let go
Stay just long enough for me to get attached
And then you're free to go
Go... go... oh you're free to go

Did you read the directions?
Oh you're free to go.
